

ITEMS NEEDED

Each family will need to provide the following items for your child, please note that everything that enters our center will be labeled with your child's name on it, even clothing:

<u>Infants</u> <ul style="list-style-type: none"> - Blanket/swaddle - Diapers - Wipes - Butt cream - 3 extra outfits - 1 Bottle - Binky if needed - Breast milk if breastfed - Formula 	<u>Toddlers</u> <ul style="list-style-type: none"> - Blanket - 2 extra outfits - Diapers - Wipes - Butt cream
<u>Preschoolers</u> <ul style="list-style-type: none"> - Blanket - 1 extra outfit 	<u>Summertime for Everyone</u> <ul style="list-style-type: none"> - Bathing Suit - Sunscreen - Swim Diapers if in diapers.

- ☺ We ask everyone to please leave an extra set of clothes at the Center in case the set they are wearing gets soiled (children get wet, messy, dirty, etc. in millions of ways!). If you do not leave any, your child will have to go home without or in extra clothes that do not fit. We will let you know if a new set of extra clothes are needed. These clothes should be seasonal, so we will ask for new clothes as seasons change, as well as when your child outgrows them.
- ☺ Kids can get quite messy. Dress your child in comfortable, washable play-clothes every day. Save good clothes for evenings and weekends.
- ☺ We ask parents of diapered children to bring in their own bottles, diapers, formula or juice, training pants for toilet training, and a pack of wipes. We have plenty of bibs, plates, bowls, and utensils so you do not need to provide these items.
- ☺ For the summer months you are asked to provide a swimming suit, and sunscreen at the Center for playing outside in the sprinkler and every day outside play. We are not allowed to share sunscreen, so you must provide it for your own child. Siblings may share.
- ☺ We will be providing clear bags with our logo on them to each family for each child. They will be clear because DHS can check bags and if there are any items in those bags that aren't supposed to be in them we can get in big trouble. Medications, food, or drinks are not permitted to be left in bags. This will provide an easy way for our teachers to check each bag every morning in a timely fashion and will also put confidence in DHS that we are checking bags like we are supposed to. No other bag will be allowed into the center. We ask that you accept this rule to make things easier for everyone involved. Please bring this bag DAILY.
- ☺ Please leave all toys and other items at home. These often cause sharing problems or get lost in the center and cause meltdowns. We don't want that anymore than you do. Please keep all items at home or take them from your child before they enter the center. If they have something they sleep with, they are absolutely allowed to bring that item.
